

PINK OUT CLINICS

This program has been "registered & approved" by the Canadian Breast Cancer Foundation and a Significant portion of clinic proceeds will be donated back to the CBCF.

This one day "Pink Out Clinic" has been created for women golfers of any level. All Instructors are CPGA professionals, they will provide you instruction at various different stations so you can have a better understanding of every aspect of the game. The clinic will cover Full Swing, Chipping & Pitching, Putting, Bunker Play and focus on helping you be less anxious while on course with some easy mental coaching.

Participants will also receive on course instruction in the form of a playing lesson which will cover strategy, etiquette, course management and some hints on how to play business golf. These clinics are "Open & Available" to everyone regardless of your level, we welcome beginners to advanced players. Toronto Clinics will be held at the Wyndance Golf Club, 450 Regional Road 21, Uxbridge, ON L9P 1R4
